Not many of us would be fast asleep in a small boat which was tossing around like a cork on a stormy sea! Jesus must have been extremely exhausted, needing rest, and fearless. We may think the disciples should have had strong faith after the miracles they had witnessed. When we are going through difficult times, we, too, often forget that Jesus is there with us.

COVID-19 update

Easing of restrictions – the current rules

- Masks are no longer necessary when attending churches.
- Congregational singing is permitted.
- Singers or choir members should still remain 1.5 metres away from each other and from members of the congregation.
- There is no limit on how many people can attend Masses, weddings, funerals and other religious services subject to observing the 2m2 rule. This does not include the celebrant or church workers. Families can sit together, but if people do not belong in the same household, they must observe physical distancing of 1.5 metres. Parishes should have public signs with advice on this or have ushers or people assisting at Masses.
- Avoid congestion before or after Mass – have strategies in place for managing people entering or leaving the Church. Attendees should also maintain a safe distance when lining up for communion.
- The same rules apply to Masses and other religious services held outdoors on Parish premises.
